Camp Elevé is the perfect place for dancers to move, create, and make lasting summer memories!

Musical Theater Camps-

Our Musical Theater Dance Camps give dancers the opportunity to step into the world of Broadway! Throughout the week, students will work together to create a short showcase featuring scenes, songs, and choreography inspired by the musical focus of the week. Dancers will spend time singing, learning musical theater-style dance techniques, and building performance skills in a fun and supportive environment.

The week concludes with a special performance where family and friends are invited to watch our dancers shine on stage!

Camp/Intensive Descriptions

Dancers will be placed in appropriate age and level for each Intensive.

Competition Intensive/Auditions:

Our Audition Intensive is a week-long training experience designed to challenge and prepare dancers for the upcoming season. Throughout the week, dancers will learn combinations in a variety of styles including Ballet, Tap, Jazz, Contemporary, Musical Theater, and Hip Hop. This intensive focuses on technique, versatility, performance quality, and the ability to learn choreography quickly—key skills needed for competitive dancers.

The week concludes with a formal audition. Audition results will be released by Sunday following the intensive.

Schedule:

- Ages 5–8: 9:00 AM–12:00 PM daily
- Ages 8 and up: 9:00 AM–4:00 PM daily

Participation in the Audition Intensive is required for dancers interested in joining our competition team. This experience offers a supportive yet challenging environment where dancers can grow, be evaluated, and showcase their potential.

Workshop & Choreography Week

The week following auditions, we jump right into choreography! During Choreography Week, company dancers will begin learning all of their competition choreography for the upcoming season, with the exception of Musical Theater. This exciting week sets the tone for the year ahead as dancers dive into the creative process and start bringing each piece to life.

We can't wait to see what our incredible faculty has in store for next season, and we are thrilled to welcome back our talented guest choreographers Doha Abounouadar, Ashley Cinq-Mars and Matt Aylward. Potential more guests to be announced as we get closer to summer.

It's going to be an inspiring and high-energy week—save the date and get excited for what's ahead!
